

**#TEAMOLNEYVILLE Pledge**

**I AM MY NEIGHBOR'S KEEPER**

Olneyville, one of the oldest neighborhoods in Providence was once the predominant industrial, commercial, cultural, and transportation hub of the entire west side of the city. After World War II, as the fortunes of Providence's textile giants declined, our community experienced a devastating demise as the neighborhood became severely depopulated. However today we are on the rise, restoring our community pride, revitalizing our once blighted housing, spurring economic development and strengthening our neighborhood's social fabric. As a resident of Olneyville I am dedicated and declare to be part of the "I Am My Neighbor's Keeper" & #TEAMOLNEYVILLE movement. I pledge to help my neighbors and develop the Olneyville community by:

**Investing with passion in Olneyville's future while taking pride in the neighborhood's history and present**

**Listening and respecting the views of all residents**

**To actively engage in efforts to unite Olneyville and build harmony with fellow neighbors**

**Look out for the safety of our homes and streets, to maintain our properties, and open spaces**

**To support our local businesses**

**To help guide and mentor the youth towards Olneyville's success**

**To encourage and empower my neighbors to rise and succeed as one and as a part of #TEAMOLNEYVILLE**

**YOU ARE YOUR NEIGHBOR'S KEEPER**

**YOU ARE #TEAMOLNEYVILLE!**

**I AM NK**  
I Am My Neighbor's Keeper
